Do you love being outdoors?

Here at Russell House we have 2 accessible mini vans to choose from. This means we try and take you out more often on little day trips and visits to places you may not have previously been to.

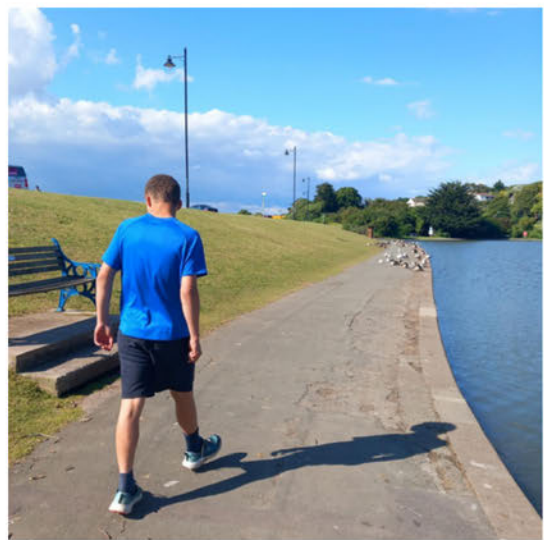

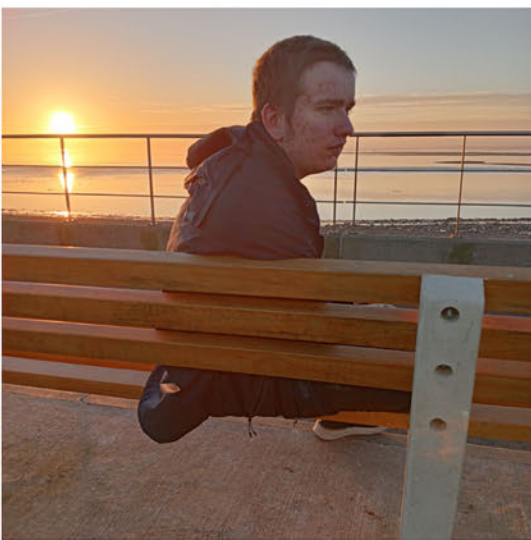

What we teach here.

At Russell House we pride ourselves in helping young people develop Independent living skills and also set and achieve their own personal goals, no matter how small these may be.

The places we go.

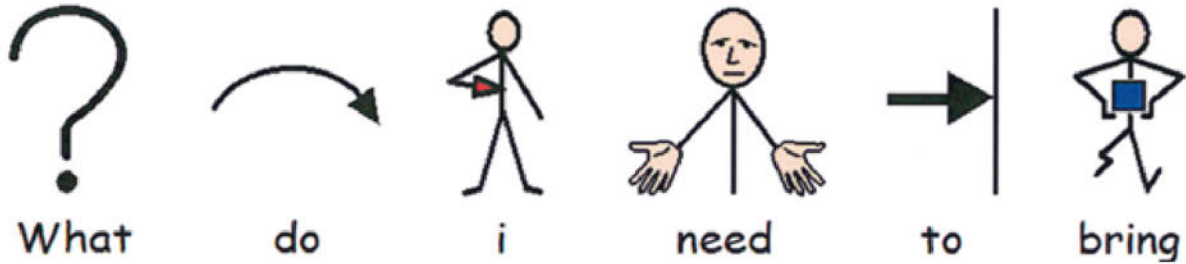

At Russell House we aim to take all of our young people out as much as possible. These trips out to different locations can vary on length of time and also distance is not an issue. We will cater for all your needs prior to leaving the house, no matter where we end up.

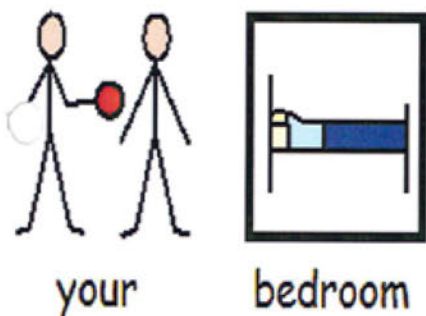

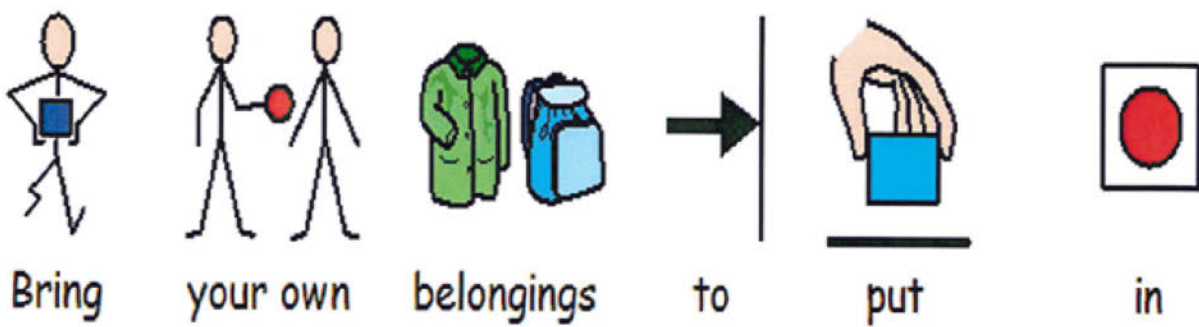

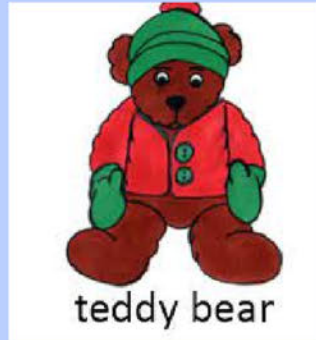

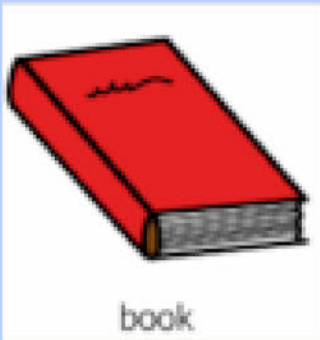

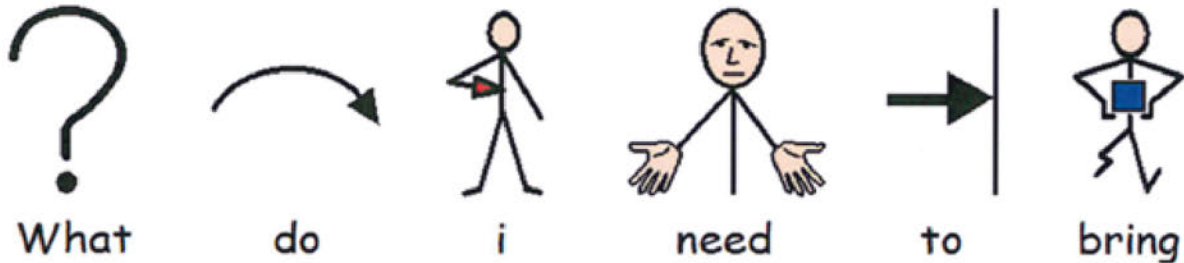

Day trips out can vary but a few examples are below:

- Zoo / Farms
- Bowling
- Parks and local walks
- Woodland areas
- Museums
- Trip to the local city centre
- Coffee dates
- Light festivals
- Firework displays
- Beaches
